Learn about the history of  
American feminism  
through suffragist  
song lyrics!

From the right to vote to the right to be free from violence, American women have campaigned for equality. But the women's movement is more than a mere political fight, it's a cultural battle for American hearts and minds. This **free, virtual** program includes a 25-minute documentary focusing the intersection of music and politics in the Women's Movement, which will be followed by an author-led conversation based on the book and film, "Songs of the Suffragists."

**YOUTH**

**STUDENT UPDATE**

In the last newsletter, we let you know that our 2022 *Students Inside Albany* selections, Kaeleigh and Pierce, have both accepted our invitation to represent LWVNEW at the 2023 SIA conference. (They were all set to go in May and then the program was cancelled just days before it was set to begin, due to a Covid outbreak.)

In the meantime, Pierce had a busy autumn. In addition to school and college applications, Pierce volunteered to help the County League (LWVW). He worked on a voting PSA with students from Mamaroneck High School and acted as a student presenter for LWVW's CD 17 Virtual Candidate Forum in October.
