NEWS FROM THE STATE LEAGUE (LWVNYS)

ADVOCATING FOR PROPER FUNDING OF EARLY VOTING IN THE NY STATE BUDGET

The League of Women Voters of New York State, along with other good government groups, is very concerned about the state government providing adequate funding for Early Voting in the state budget. LWVNYS took the opportunity to use the February 14th anniversary of the founding of the League of Women Voters as a "Day of Action." LWVNYS encouraged members to contact their elected state representatives to push for the adequate funding of Early Voting. Since members of local Leagues are also members of the New York State

League, LWVNEW sent an email to its members, asking them to contact their reps. LWVNEW also advocated for the funding on its social media platforms.

Information about the funding of Early Voting can be found here:

NEW! INDIVIDUAL PARTICIPATION

The LWVNYS Board adopted new rules regarding concurrence and consensus and now individual members may participate in the process if they have not already done so with their local League. The current matter at hand is the League's position on a Constitutional Convention (also known as

Con-Con). If you'd like to learn more, see the link at the end of this section. A member-wide phone call will also be held on Tuesday, February 25 at 7pm, so individual members may participate in a group discussion on the issue.

Email Jennifer@lwvny.org if you would like to join the Feb. 25 call.

EQUAL RIGHTS AMENDMENT

On January 27, Virginia became the 38th state to ratify the Equal Rights Amendment. The League of Women Voters has supported and pushed for ratification of the ERA since it was first passed by Congress in 1972. Leagues across the country have worked to engage lawmakers and organize at the grassroots level to ensure equal rights for all, regardless of sex, is enshrined

in the Constitution. Now that the amendment has passed the 38-state threshold, several questions remain about its viability – including whether the deadline for ratification has passed.

100TH ANNIVERSARY!

Yes, February 14th was Valentine's Day...but this year, it also marked the centennial anniversary of the founding of the League.

<https://www.lwv.org/about-us/history>

(Photo credit: www.LWV.org)

The League was officially founded in Chicago in 1920, just six months before the 19th amendment was ratified and women won the vote. Formed by the suffragists of the National American Woman Suffrage Association, the League began as a "mighty political experiment" designed to help 20 million women carry out their new responsibilities as voters.
